Welcome

I would like to welcome our opponents Harrington, their officials and supporters to Redcotts for today's game. Happy New Year to you all!

As always, a new year brings new hope and in football things are no different. The First team have made a timid start to the season but will be looking to build on an upturn in form with a Quarter Final Cup tie victory. Harrington are a side that we know very well due to encounters over the last few years and the games have always been very competitive. I'm sure that Kirk will be anticipating the experience gained at a higher level this season will be enough to ensure progress into the next round of the competition.

After a hard fought win against Bransgore in the league was followed by an extremely disappointing defeat against the same side in the Cup, I'm sure Alex would like to get back to winning ways against a lowly Boldre side today.

I would like to thank all those for their attendance at the Christmas pub crawl and also for the Christmas raffle. This event provides additional funds for the club, although appreciated it is a shame to see mainly the same people giving this support.

Also, please note that we will be holding the annual Auction Night sometime in late February/early March. Bring any unwanted items and as many friends as possible. I will confirm the date when I have it.

Thanks to Gary Burn who is organising the programme sponsorship, if you know of anyone who is interested in advertising then please let Gary know.

As always I wish Kirk and the players all the best for today's game and good luck for a positive result. I am also hoping that Alex and the reserves get the expected result today also.

Dean Grice

First of all happy new year the all involved with the mighty Dale and our opponents Harrington. I would like to welcome Harrington and their supporters to redcotts.

Our last home game was against Piddletrenthide on paper an easy walk to the next round of the cup. We played excellent football in the first half and had we taken our chances we would have walked in half time 5-0 up and had the game killed off. This wasn't the case and only went in leading 1-0. 2nd half a different side walked out in the Allendale kit and we gave the game to a very very poor opposition losing 2-1.

Our next game came against Sway who we had lost 2-1 to 2 weeks prior. Once again we were missing around 5 or 6 of the first team squad. We had a very inspirational chat amongst the squad before the game and this showed in our performance throughout the game.

I could not have asked for any more out of the lads as they were exceptional and came crawling off the pitch. Once again this season we had a very poor referee who seemed to be getting every single decision wrong, overruling linesmen when he couldn't really see himself.

We lead the majority of the game 1-0, only to lose to 2 very good goals from the opposition. We deserved to take all 3 points on that day and every man involved has kept their shirt this week.

Hopefully 2012 will turn our performances into results and we will continue to work on areas that seem to be costing us games by the odd goal.

Many Thanks

Kirk

Match Report – Cup

Allendale Reserves Vs Bransgore United

After beating Bransgore away the previous week we went in the game with good form.

After a dominating start with their keeper and defence struggling to get out of their own area we went 1-0 down after their winger breaking free to strike against stand in keeper Dan Anson who didn't have much of a chance after being left vulnerable. Before half time they struck again to go 2-0 up. After a tough half time team talk we went out to fight and regain some momentum. We pulled one back via Joe Cross and continued to pressure their defence and shortly before full time we regained a neutral score line of 2-2.

Going into extra time we had the momentum and felt strong that we could regain some pride. After dominating again we conceded just before the end of the first half, we were gutted however pushed in the second half to get back level in a game that was continuing to get heated. Sadly we could break again and the final whistle went and we were out of the cup. Uncharacteristic defensive mistakes and opportunities in front of goal missed were the key factors on a bad day on the Redcotts turf.

We go forward now to push for promotion with some key games coming up. Richmond Park are very much running away with top spot with only 2 points dropped from a possible 30 but second place is very much up for grabs if we get back to the strong football we know we are capable of as a team.
