I would like to welcome our opponents Piddletrenthide, their officials and supporters to Redcotts for today's game.

The visit of Piddletrenthide brings back many fond memories of the time the club spent in the Dorset Leagues and matches against today's opposition. It will be interesting to see how the Bournemouth and Dorset Senior Leagues compare, with Piddletrenthide near the bottom of their division and our side also in the wrong half of the division. After last week's disappointing result against Sway it is important for the team to get back to winning ways.

For the Reserve Team, it was extremely disappointing to suffer a 7-2 defeat against a team that we should be competing with for the top positions in the division. Hopefully the side can achieve a victory against Bransgore, one of the weaker sides in the league.

With Christmas fast approaching, there are a couple of dates for the Allendale Diary. The Christmas Pub Crawl is on 17th December, starting in the Coach and Horses at 7:30pm, all welcome. The Christmas get together and raffle will be held at the Bell on Tuesday 20th December from 8pm onwards, please donate any gifts that you are able to as all funds raised go into the club. Food will be generously provided by Mike as always.

Also, please note that we will be holding the annual Auction Night sometime in late February. Bring any unwanted items and as many friends as possible. I will confirm the date when I have it.

Thanks to Gary Burn who is organising the programme sponsorship, if you know of anyone who is interested in advertising then please let Gary know.

As always I wish Kirk and the players all the best for today's game and good luck for a positive result. I am also hoping that Alex can turn round the result from last week against Bransgore today.

All that is left for me to do is to wish all connected with Allendale F.C. a Merry Christmas and Happy New Year.

Dean Grice

View From The Touchline

Allendale FC v Sway - 3 December 2011

The game was an even match with end to end play with our best opportunity being a good shot by Nick Johnson being parried in the bottom right of the goal by the Sway keeper to give us a corner.

The deadlock was broken after 20 minutes when Sway broke through from the back to leave a player one on one with Gary Smart who was unable to save the well placed goal.

The referee started to worry us, an obvious back pass to the Sway keeper when Stuart Pomeroy was changing down on the defenders was ignored. This concern was borne out when Stuart was the last man and in the box only to be pushed over by a defender.

I can confirm that it should have been a penalty because I was in my usual position and was in line with the offence.

However, a free kick was given outside the box and no action taken against the defender.

Justice was done though because a well taken Nick Johnson free kick made it 1 - 1. That is how the score remained going into the break.

Unfortunately Allendale took the pressure off during the second half with Sway making better passing and stronger tactics with the result that a repeat of Sway's first goal with a one on one with Gary Smart who couldn't do anything to prevent the final score being Allendale FC 1 - Sway 2.
