I would like to welcome our opponents Trinidad, their officials and supporters to Redcotts for today's game.

Having gained promotion to Bournemouth's top division, it has been a hard start to the season for various reasons. But when I think back to the start of last season, starting with three losses it is important remain positive and have faith in the players and the management. Kirk and the management team have my total support and I look forward to seeing us record many victories this season.

I would like to welcome Alex Troke into the role as reserve team manager and congratulate him on the results so far this season. I know it is a difficult job having run the 'bottom' team myself but Alex seems to have taken to it and is looking forward to a successful season.

After the fiasco with the Coach and Horses, I would like to thank Mike for his sponsorship from the Bell. I would encourage as many people as possible to come to the pub after the games to make the sponsorship deal work for both parties.

I would like to thank all involved with the France trip in making it a great time for all (especially Colin!). It was a wonderful weekend and plans will soon be starting to host our friends next year. I will be asking all involved to host our French guests.

Thanks to Gary Burn who is organising the programme sponsorship, if you know of anyone who is interested in advertising then please let Gary know.

As always I wish Kirk and the players all the best for today's game and good luck for a positive result. I am also hoping that the reserves can bounce back from the last two weeks defeats and record a victory against a competitive Shamrock side.

A View From The Touchline Allendale FC v Old Oakmedians – 8 October 2011

Oh dear, I always worry when the league referee fails to turn up and a home club member agrees to officiate. My concerns weren't helped when he took off his glasses and gave them to someone as he went on to the pitch.

However, I was determined to give him the benefit of the doubt and, give him his due, he started well for the first 15 minutes. Let's concentrate on the game! We came close to scoring when an early Milo free kick was eventually cleared from a goal line scramble.

Sadly, a mistake in defence allowed Old Oakmedians to score from a long shot from the left that went to the right of our goalkeeper, Gary. Soon after it became 1-1 when some good work from Pommy sent Dave Wrixton through to score. George soon followed this with an accurate pass to Pommy who ran through to make it 2-1 to Allendale.

Then the referee lost my confidence when what was an obvious goal kick when one of their players blasted it well over was given as a corner. Fortunately that came to nothing but the referee stopped play and gave them a free kick just outside the box for no apparent reason. This led to an equaliser making it 2-2. Another glaring error followed when their linesman gave us a throw in close to our supporters but the referee gave it to his team. Protests from us led to threats of us all being sent off! Another goal kick given as a corner was followed by an obvious handball by an Old Oakmedian being ignored to allow him to go through and score making it 3-2 to them. We were then given a free kick, their player kicked the ball away but this was, of course, ignored. Not to be beaten Allendale kept fighting and a pass by Dave Wrixton to Frammo led to a cracking goal making the final score 3-3.

Allendale can take heart from the fact that they played well and with a league referee would have probably got all three points.

AS. VALOGNES v ALLENDALE FC

Stade de Saint-Joseph : Sunday 26th June

(report and photos from Roger Mutte)

A delegation of about thirty, including players and club officials from Allendale FC spent the weekend in Valognes.

At the invitation of Jean-Yves Pichard, president of the ASV, the British footballers led by Dean Grice, their chairman, were firstly received at the *Hôtel de Ville*, where Sylvain Caillot, *maire-adjoint* with responsibility for sport, welcomed them saying " *C'est toujours un plaisir de recevoir des voisins et des amis*" (It's always a pleasure to receive neighbours and friends).

It was also an occasion for M. Jacques Coquelin, *maire* of Valognes and former president of AS Valognes to make reacquaintance with Eric Case, past chairman of the Wimborne club, the two of them together with Jean-Yves Pichard going back to the earliest days and being instrumental in providing this longstanding sporting link between clubs from both sides of the Channel.

The organiser of this latest weekend, Cyril Laisné, who promotes the twinning in AS Valognes, had scheduled a friendly football match between the two teams with only *honneur régional* at stake.

This took place on the Sunday afternoon at the *stade de Saint-Joseph*, a match which ended 3-1 in favour of the Valognes club.

(On returning to England Dean Grice, Chairman of Allendale FC said that it was a great weekend with superb hospitality, as ever, and wonderful to see old friends again)
